**\*\*\* The mind Power benefits in the week end \*\*\*\***

“No Regrets”. If that’s what you want to say that on week end, good time to take training, “how to develop your Mind Power” This week end let your “Self Empowerment through your Super Conscious, enhance your week end experience. Here are three of the most important benefits of the Mind Power Training for the week end.

 Self Empowerment to be positive. Even if your business almost failed, feeling not self confident to continue it and felling so desperate and stress to face life. Through Super Conscious empowerment training, helps to release your stress and becoming positive to face the life.

 Develop positive energy.

Regular Super Conscious Empowerment training, creates healthy life, felling prosperity and success.

- 📌 More appreciate to your life and feeling new life, when going to your office and attending business meeting on Monday.

We have come to expect a crowded schedule every week end. Between our last members, new member and new comers, there is less downtime than ever. Here are four tips to stay on track:

- 📌 Enlist your family support. Let them know how important The Mind Power training is to you, ask for their help in getting week end task done so that you can take part training in the week end freely.
- 📌 Write down the Training Schedule; ask for friends, coworkers, family and your neighborhoods to take part. Make commitment together and enjoy the training.
- 📌 Since week end class are in the morning, going to class before doing your home task. You are energized after training, so that you begin the new life.

**\*\*\*\*\* SPECIAL OFFER \*\*\*\*\***

Attend the week end class before December 31<sup>ST</sup>, 2004 and get \$ 20 Singapore off and special discount up to \$ 25 Singapore off, if you take a new member.
